Motivational Book - a must read!By Janice ChongWhen you feel you're stuck in a rut in your business or position - this book is an amazing read to boost your spirit. I run my own small business and Bill Rancic tells it as it is - work hard, stay focused and be honest. I think these are the key points that

sets us apart from our competitors. I gave this to my staff to read over the weekend - and she came back so motivated, so it's proven to be a good read. Common business sense. I have the other book - Beyond the Lemonade Stand which I will give to my kids when they are old enough to understand the importance of making money. 0 of 0 people found the following review helpful. I really like Bill after watching the 1st season of The Apprentice he became my role model, because he was quite successful and entrepreneurial since young. The stories of his life are inspiring.
