Carmen de la Cruz Iglesias : Zara: An analysis of market-orientated supply chain management in the retail fashion industry before purchasing it in order to gauge whether or not it would be worth my time, and all praised Zara: An analysis of market-orientated supply chain management in the retail fashion industry:

Bachelor Thesis from the year 2009 in the subject Business economics - Marketing, Corporate Communication, CRM, Market Research, Social Media, grade: 1,0, University of Hull, language: English, abstract: This paper has been developed to investigate how market orientation is aligned to supply chain management and thus, leverages a

company's success. Answers were sought examining Zara, a strategic unit in the apparel Industria de Diseno Textil (Inditex) Group, which has widely been acknowledged as being a paradigmatic example of a leader in the fast fashion industry. Hereby, Zara's unique business model is investigated as well as its market-orientated approach that affects all scopes of its vertically integrated value chain. Finally, this report gives conclusions and an outlook while referring to the evaluated results.
